Getting signatures:

1. Before asking for signatures, fill out the Massachusetts city or town name at the bottom of both sides.
2. Get valid signatures only from people registered to vote in that city of town, as described below.
3. In the signature column, people should both autograph and print their names, on the same line.

Handing the forms:

- Once you are finished getting signatures, submit the form to your town or city clerk’s, which matches what you wrote.
- Get a receipt and send Bob an email to me via text to 857-248-1722 or via email at: Bob@BobForSenateMA.com
- Follow up with the clerk’s office and get the certified page or pages.
